2004 Treks Philmont 2004 TreksComparison.xls
Revised 1/10/05
Printed 1/10/05

PHILMONT TREK SUMMARY - 2004

RATING	TREK # (PRE-2000 #)	MILES (See Note 1)	REGIONS	DAY 1	DAY 2	DAY 3	DAY 4	DAY 5	DAY 6	DAY 7	DAY 8	DAY 9	DAY 10	DAY 11	DAY 12	PEAKS	NOTES	TRAIL CAMPS	DRY CAMPS	VALLE CAMPS	2 NIGHT CAMPS	CAMPS WITH SHOWERS	CAMPS WITH DINNERS	CAMPS WITH CAMPFIRES	FOOD PICKUPS

NOTES TO USERS:

1. Mileages listed are: first per *TREKS* , second per *TREKS* Elevation/Distance chart, third (if listed) per 2003 *Philmont Interactive Ranger* profiles, and the fourth (LARGE) are *Philmont Interactive Ranger* values adjusted for consistency among treks regarding food pickups, sidehikes to programs, etc. Daily mileage is taken from *Philmont Interactive Ranger,* adjusted as described in "Notes" column.
2. Program shown in *italic* on Trail camp days are not listed in the *TREKS* booklet, but the itinerary passes near or through a Staffed camp with program.
3. Programs shown in *italic* at Staffed camps are not listed in the *TREKS* booklet for that particular itinerary (horse rides being the sole exception - listed only if included in TREKS).
4. Dinners in *italic* are not listed in the TREKS booklet, but are noted as one less meal in the "menu no." column.
5. Elevations are from a posting of GPS coordinates for Philmont camps by R. Dudley Koy, M.D. @ http://www.lns.cornell.edu/~seb/philmont-waypoints.html and *Philmont Interactive Ranger*
6. Itineraries can and do change from year to year - **verify with the latest TREKS booklet before sending in your intineray selection card!**

PRINTING SUGGESTIONS

1. This spreadsheet is designed to be printed on five (5) pages in landscape mode, without these notes. On 8 1/2 x 11 sheets, the program summary should not be included, and the print will still be small! The program summary can be included if printed on 8 1/2 x 14 sheets. For ease of use (and to reduce eye strain) print on 11 x 17 sheets, if you have access to a printer that can handle that size paper or enlarge to that size by photocopying.
2. If the crew has identified several programs as their preferences, changing those columns in the Program Summary to **bold** and/or a larger font will make itineraries with those programs stand out from the others.

Questions / Corrections / Comments / Suggestions should be forwarded to Alan Thomson via e-mail @ athomson78@hotmail.com
